About Our Program. Join the hundreds of volunteers who are serving in their chosen assignments in Delaware County. Meet new people, increase self-esteem, and feel valued in your volunteer assignment.

Mission. The Retired and Senior Volunteer Program of Delaware County offers adults aged 55 and older, the opportunity to share their time and talents on a regular basis in a variety of settings throughout their communities. RSVP provides volunteer opportunities based on community need and encourages volunteerism in areas where there will be an impact on the community.

History. RSVP was organized in Delaware County in 1972 and became incorporated in 1975. RSVP is a part of the federal government Senior Corps program. Senior Corps is a program of the Corporation for National and Community Service, an independent federal agency created to connect Americans of all ages and backgrounds with the opportunities to give back to their communities and their nation. RSVP volunteers serve at 120 non-profit agencies in Delaware County. Approximately 850 senior volunteers contribute 120,000 hours every year to local non-profit organizations.
